## GENERAL INFORMATION

### EAGE

The European Association of Geoscientists and Engineers (EAGE) is a global professional, non-profit association for geoscientists and engineers with 19.000 members worldwide. The objective is to collect and distribute technical knowledge. EAGE organizes events and publishes a monthly magazine for its members and 5 scientific journals. All members of EAGE are professionally involved in (or studying) geophysics, petroleum exploration, geology, reservoir engineering, mining and mineral exploration, civil engineering, tunneling and environmental matters. EAGE's head office is located in the Netherlands with regional offices in Dubai, Kuala Lumpur and Bogota.

## ABOUT EAGE GET2026

After two successful events in The Netherlands (Rotterdam) in 2024 and 2025, we look forward to welcoming you to the 7<sup>th</sup> **EAGE Global Energy Transition Conference & Exhibition (GET2026)**, taking place in **Hannover, Germany, 2–6 October 2026**. While the location changes, you can again expect a programme with high-quality technical content to keep you up to date on the latest technology trends, combined with strategic, business-oriented sessions.

GET is EAGE's leading event showcasing how **geoscience and engineering** enable the energy transition. It brings together professionals working across **renewables, minerals, and decarbonisation technologies**, and features five dedicated technical tracks: **Carbon Capture and Storage, Geothermal Energy, Hydrogen and Energy Storage, Offshore Wind Energy**, and the **Critical Raw Materials Symposium**.

GET2026 will attract a broad, cross-disciplinary audience. The programme includes a technical programme, strategic programme, keynotes, a large-scale exhibition, workshops, short courses, field trips, and strong community and student activities.

For organisations looking to raise their profile with a high-value professional audience and strengthen their visibility within the global geoscience community, GET2026 offers a range of **sponsorship and exhibition opportunities**, with packages that can be tailored to your objectives.

## EXHIBITION

GET2026 features a dynamic exhibition and marketplace showcasing companies advancing the energy transition in geoscience and energy, from monitoring and data to new technologies and services. As the main networking hub, the exhibition is designed for visibility, meetings, and business development.

## MAIN REASONS FOR EXHIBITING AT GET2026

- Secure a presence among top professionals and researchers in the energy transition sector.
- Gain exposure in four key areas: Carbon Capture & Storage, Geothermal Energy, Hydrogen & Energy Storage, and Offshore Wind Energy.
- Showcase your innovations and solutions to experts and decision-makers.
- Reconnect with current clients and broaden your audience.
- Launch and display new products and services.
- Present your latest technology and equipment.
- Keep an eye on what the competition is doing.
- Grow your professional network.

## EXHIBITOR BENEFITS

- 1 x "Full Conference", 1 x "Exhibition Full Week"\* and 1 x "Exhibitor Plus"\* registration per every 18sq meter.
- Access to 2500+ targeted attendees
- Dedicated space to showcase product and services
- Prime location in an environment created for networking
- Ability to access our world class programme\* complimentary access starts at 18sq meter
- World class service provided by our team of dedicated professionals

\*with a minimum of 1 per booth

# NEW EXHIBITOR PASS SYSTEM EXPLANATION

Starting in 2024, EAGE has moved from the Exhibitor Voucher and Guest Pass system of previous years to a new system that distributes three fixed types of Exhibitor registration types based on the sqm of your purchased booth package/space only space.

These fixed registration types are not meant to operate as vouchers and as such can not be exchanged or combined to upgrade to another registration type.

The three registration types are:

## 1. FULL CONFERENCE & EXHIBITION:

- Full Week access to all Technical Programme, Strategic Programme, and Social Programme activities, as well as Exhibition.

## 2. EXHIBITOR PLUS:

- Full Week of Exhibition Access
- Icebreaker Reception
- Conference Evening
- Access to Strategic Programme

## 3. EXHIBITION WEEK:

- Full Week of Exhibition Access
- Icebreaker Reception

EAGE GET2026	2-6 November 2026

"We're very proud to sponsor this event. The experience has been great. We've had a lot of visitors at our booth, and we've been discussing techniques, technologies, software, AI, and machine learning. It's been especially exciting to connect with people from both academia and industry. Speaking with the other exhibitors has also been very enriching."

## SPONSORING OPPORTUNITIES

With an array of unique promotional opportunities, we can help you design the perfect programme to enhance your company's experience at EAGE GET2026.

EAGE strives to realize recognition, long term exposure, benefits and publicity for companies that sponsor GET2025.

## WHY BECOME A SPONSOR

When you are a corporate sponsor, you gain high visibility in a qualitative and uncluttered environment that makes your message stand out. EAGE is synonymous with quality, boasting proven track records in the past. The conference programme offers a diverse menu that will help you reach your target audience.

Sponsoring will enable you to:

- Increase your visibility to a national, regional, and international audience.
- Enhance your corporate image.
- Reach an influential and exclusive audience.
- Break through the media clutter.
- Associate your company with EAGE – the world's truly multidisciplinary geosciences society.

Please note that sponsoring opportunities are not restricted to packages in this guide. We would be delighted to explore ideas to fit your budget.
